

www.aamhp.com.au

Well, the time has come to book your flight and set sights on Adelaide for the 8th to 10th of September 2021.

The borders are open and with the vaccine rollouts it looks safe to travel around Australia again and catch up with all our likeminded mates.

Sadly, it does not look as if we will be able to fly in our International guests other than New Zealanders, but we are confident that we will still have them live on screen to give us the International updates as promised.

Our schedule is still in draft, given there may be some inclusions closer to the time should the Australian bubble open. But until then we plan on meeting and greeting you all on the 8th of September at the Standard Grand Hotel on the seaside in September 2021.

Our sponsors are very keen to show us everything new and innovative as well as our most loved favourites. There are multiple workshops, fabulous plenary, and concurrent sessions on all those topics of interest including some new facts about where we are headed in 2023.

So, whilst instead of our 20th anniversary, it will now be our 21st anniversary year and we will surely have fun in the proposed networking events.

We will be limited in numbers, given the times, so get in early and register now on www.aamhp.org.au

Please note that all pricing, as was last year has been maintained, so definitely a bargain in these times. Not to mention get in early with all the cheap air travel being advertised at present.

See you in September

AAMHP "Everybody Matters" Conference – Face to face!

Conference Event Organiser - Mob: 419483916 – pippawright@pipspl.com
